Then make sure you are printing to the proper printer and click print. For best results print to a Label style printer.

The screenshot displays the Label Connector web application interface. On the left is a blue sidebar with navigation links: "Print Labels", "Label Designer", "Help Video Tutorials", "Get support here", and "Manage Users". The main content area is divided into three sections. The top section shows a list of items with the following details:

- Comb**

- Hairbrush**

Below the list is a table with the following columns: "Item Name", "Comb", "firstitem", "golfballs", "Hairbrush", "Hamburger", "Hot dog", and "vacuum".

The middle section is a "Print" settings panel with the following options:

- Print: 7 sheets of paper
- Destination: TSC DA220
- Pages: All
- Copies: 1
- Paper size: (empty dropdown)
- Pages per sheet: 1
- Scale: Fit to printable area
- Print using system dialog... (Ctrl+Shift+P) [checkbox]

The right section shows a preview area with a blue header containing "Partner", "Buy Now", and "LogOut" buttons. Below the header is the "Ho Books" logo and the text "Name : accuware" and "Selected Organization". At the bottom of the preview area are "Print Quantity" and "Preview" buttons.
